ACTION TAKEN REPORT

INSTITUTION EVALUATION BY STUDENTS 2016-2017

Based on the feedback received from students about institution, we are taken necessary steps. Almost 80% of the students have the opinion that the general academic atmosphere of the college was good or excellent. A few has the neutral opinion. General academic atmosphere can be improved by ensuring proper discipline and by introducing more co-curricular activities. More than 90% of the students are very much satisfied in the teacher guidance in academic activities. Only below 10% have the other opinion. Teachers are advised to give more emphasis on academic activities. Nearly 90% of the students have good opinion in accuracy and correctness of evaluation in internal assessment. Internal exams are conducted and verified in time. Students have many opportunities to participate in class. The student participation in the class can be ensured by conducting more seminars, group discussions and debates. More than 85% of the students have the opinion that the library facilities are good, whereas around 15% have neutral opinion and only 2% are of the opinion that the library facilities need to be improved. For that the college council decided to purchase more books, magazines and to subscribe online journals. Majority have the opinion that the laboratory facilities are good.

We have increased the club activities to increase the student-teacher participation in co-curricular activities. For the 3rd and 4th semester students' university has made 40 hours of club activities compulsory. More than 85% have the opinion that teachers were

accessible during and after the class hours. Here at the college NSS, NCC and other clubs are conducting many programmes. Student's participation is made compulsory for each student. To increase the participation in Physical Education Department new building has constructed, new equipment has been purchased for the gymnasium. For cricket training net facility has constructed. We have indoor badminton court in the auditorium. The college promotes union activities of students whole heartedly. About 14% of the students reported the unavailability of teaching aids like DLP, LCD projector in the department. For this smart class rooms are there for every department. More than 80% of the students are reported that the teacher student relationship is good. All tutors are available for students to talk before and after class hours. We are maintaining as open-door policy. Each teacher is offering individualized support before or after class or during lunch or recess. At that time the students can interact with the teacher personally.

For improving the functions of the college office, it is decided to start a helpdesk for students and redistribution of work among the office staff and they are supposed to maintain the files in order.

In collaboration with WSU, Nature club and NSS the students are advised to the project work for the welfare of the society. All the departments are frequently organizing seminars and lectures. More than 85% of the students have very good opinion in recommending this institution to other students. With all these suggestions, the management and the college council has decided to improve the infrastructure, office and academic facilities of this institution.
